

ACTIONABLE INSIGHTS FOR EDUCATORS

Educators have the power to shape the next generation of builders, doers, and changemakers. Entrepreneurs are asking for stronger connections between classrooms and the real world.

Make Entrepreneurship Visible

Students can't choose a path they've never seen. Bring local entrepreneurs into classrooms and show what it really looks like to build something in Kitsap.

Build Real-World Bridges

Create internships, project-based learning, and job shadows that connect students with local businesses and community needs.

Teach Skills That Matter

Focus on creativity, resilience, critical thinking, and collaboration—foundational skills for both entrepreneurship and life.

Open Doors for All Ages

Support lifelong learning with accessible education and mentorship for founders at every stage of their journey.
